

Kathleen Walsh ^{3rd} District Town Council

Councilwoman Kathleen Walsh Judges the Newfield High School Cosmetology Competition

Farmingville, NY – Councilwoman Kathleen Walsh was privileged to be among a distinguished panel judging the Annual Newfield High School Cosmetology Competition. Held on February 11, 2011 in the Cosmetology Laboratory at Newfield, the students were evaluated on their technique in areas of previous instructions for either hair coloring perfection or up-dos. The winning student will proceed on to the next level of the competition, progressing upward to the State Finals and hopefully the National Finals.

“As a Newfield graduate and as a graduate of the program, I am honored to be in attendance for this competition,” said Councilwoman Walsh.

Board of Education Member Doreen Feldman, Newfield Cosmetology Teacher Toni Ingarra, Councilwoman Kathleen Walsh, and Teaching Assistant Geraldine Bartnik were also in attendance.
