

Kathleen Walsh ^{3rd} District Town Council

Councilwoman Kathleen Walsh Recognizes Eagle Scout Ian Donnelly

Farmingville, NY – On June 18, a ceremony was held at the Centereach Fire Department recreation room where Councilwoman Kathleen Walsh was proud to award a Certificate of Congratulations to Ian C. Donnelly from Troop 229 in Selden as he joined the elite rank of Eagle Scout. Ian received many accolades for his months of planning and fund raising in order to provide the materials necessary to complete his project. His leadership skills were enacted by directing volunteers and organizing the refurbishing of the existing basketball court at Cathedral Pines County Park in Middle Island. Ian added new benches as well as resurfacing the blacktop as part of his community project. Campers and their families already began to enjoy the facilities as Suffolk County Parks are opening the 2011 season. Following the ceremony, refreshments were provided by the Donnelly family.
