

Kathleen Walsh ^{3rd} District Town Council

Councilwoman Kathleen Walsh Participates in Job Shadowing Day

Farmingville, NY – On February 2, 2011 Centereach High School students Courtney Maikisch and Gabrielle Massucci participated in Job Shadowing Day at Brookhaven Town Hall. Sponsored by the Middle Country Business Advisory Board, in partnership with both the Middle Country School District and Councilwoman Kathleen Walsh, the students spent time with Town employees and engaged in the activities in their future fields of interest.

Courtney is a tenth grader whose is interested in pursuing a career in law. She was partnered with Beth Reilly, a Centereach High School graduate who is employed in the Brookhaven Town Law Department.

Gabrielle Massucci is also a tenth grader who has a desire to become an architect. Her escort was Ralph (Chip) Wiebelt from the Town's Planning Department.

“Having the students experience the workplace is truly an education in itself”, said Councilwoman Walsh.
